

IKO Strike

Product Details

Description	Hot Air Weldable Lightning
Item Number	30075019
Tape Size	25mm x 3mm
Box Quantity	50
Colour	Mid Grey
Material	PVC or TPE

Introduction

- IKO Strike lightning conductor clips are hot air welded to the surface of an IKO Polymeric membrane roof at 1m centers
- The IKO Strike clip is a combination of a high quality rigid plastic clip attached to a 100mm x 100mm section of polyester reinforced membrane
- The IKO Strike clip is designed to take uncoated lightning conductor tapes with a section of 25mm wide x 3mm thick.
- Cost effective and tidy solution to restraining rooftop lightning protection systems.

Features & Benefits

- Excellent UV resistance and durability
- Excellent mechanical properties and product performance
- Efficient and safe installation
- Secure seam welding quality
